treatment of cervical
intraepithelial lesions be
performed?
- 14h20-14h40:** Optimal treatment strategies
for adenocarcinoma in situ of
the cervix
- 14h40-15h00:** Post-treatment follow-up

Pre course 2:

Difficult colposcopic cases

13h30-15h00 Part 1

15h00-15h30: Coffee break

15h00-15h30: Coffee break

15h30-17h00: Hands-on: Simulation of
LLETZ and laser ablation
under colposcopic vision

15h30-17h00 Part 2

European Federation for Colposcopy
and Cervical Cancer Prevention

Day 2 – Friday the 28th of November 2025

Session 1: Quality and standards

Chairs: **Simon Leeson** (BG) & **Laura Kotaniemi-Talonen** (FL)

9h00-09h20: Defining quality assurance: How to identify potential quality indicators and use them in daily clinical practice (PDSA) – **Maggie Cruickshank** (GB)

09h20-9h40: Reproducibility and validity of quality indicators for diagnostics and treatment of cervical precancer – **Laura Kotaniemi-Talonen** (FL)

9h40-10h00: Which and how patients should be offered screening for anal cancer?
– **Vesna Kesic** (SE)

10h00-10h30: Discussion

10h30-11h00: Coffee break

Session 2: Best current evidence on HPV Vaccination

Chairs: **Jana Zodzika** (LV) & **Amélia Pedro** (PT)

11h00-11h15: Current evidence on HPV vaccination efficacy depending on age
– **Anne Hammer** (DK)

11h15-11h30: Should we revaccinate women who had received quadrivalent or bivalent vaccine?
– **Miriam Elfström** (SE)

11h30-11h45: Current evidence on post-treatment HPV vaccination – **Pekka Nieminen** (FI)

11h45-12h30: Roundtable + Delphi first round about age and post treatment vaccination

12h30-13h30: Lunch break

Session 3: Management of CIN2

Chairs: **Anne Hammer** (DK) & **Kathrine Dyhr Lycke** (DK)

- 13h00-13h20:** CIN2: perspectives and concerns of the pathologist – **Christine Bergeron** (FR)
- 13h20-13h40:** Management of CIN2: Putting in balance preterm birth risk with cervical cancer?
– **Kathrine Dyhr Lycke** (DK)
- 14h00-14h20:** Follow up of CIN2: How selecting the right women for it? – **Anne Hammer** (DK)
- 14h20 – 14h30** Roundtable + Delphi first round on optimal selection of women for active surveillance of CI

14h30-15h00: Coffee break

Session 4: ESGO / EFC guidelines on endocervical curettage and assessment of current clinical practices throughout Europe

Chairs: **Christine Bergeron** (FR) & **Mario Preti** (IT)

- 15h00-15h15:** Endocervical curettage: A challenge for the pathologist – **Christine Bergeron** (FR)
- 15h15-15h30:** Assessment of women with TZ3 and abnormal screening test – **Xavier Carcopino** (FR)
- 15h30-15h45:** ESGO / EFC guidelines on endocervical curettage - **Mario Preti** (IT)
- 15h45-16h30:** Discussion and Delphi assessment of current clinical practices throughout Europe

16h40: End of the satellite meeting

Scientific committee:

Maggie Cruickshank, Anne Hammer, Amelia Pedro, Jana Zodzika, Pekka Nieminen, Xavier Carcopino
